

“We have been extremely pleased with Laketran’s Travel Training program. Group and individual travel training options have increased students’ skills and confidence to explore Laketran’s fixed routes as a first choice for independent travel in Lake County. It is definitely a realistic option for many.”

Classroom Instruction

Laketran's New Horizons program is a self-paced travel training program where an individual, or small group, can learn to ride the public transportation system to destinations specific to his/her needs.

Travel Training teaches you to:

- Plan a bus trip
- Read a schedule or make reservations
- Transfer from one bus to another
- Reach specific destinations
- Pay your fare or use multi-ride passes
- Understand regulations for people with disabilities
- Use local resources

Benefits of Travel Training:

- Access to low-cost transportation
- Gain freedom, mobility and independence
- Use of safe & reliable transportation
- Stay healthy & active in the community
- It's free

Travel Training is available to any Lake County resident or group interested in learning more about Laketran's services.

This program is available to:

- Anyone without transportation
- Non-drivers
- Seniors & Caregivers
- Youth
- People with disabilities
- People looking to save on the cost of transportation
- HHS/Social Service agency staff (social workers and case managers)
