

The Guaranteed Ride Home

Staying late in Cleveland? We understand that, on occasion, circumstances may keep you at work a little later than usual.

Up until 7 p.m., Laketran will guarantee your ride home. You can catch the 6:00 p.m. Route 12 departure. It will stop at all Laketran lots as needed.

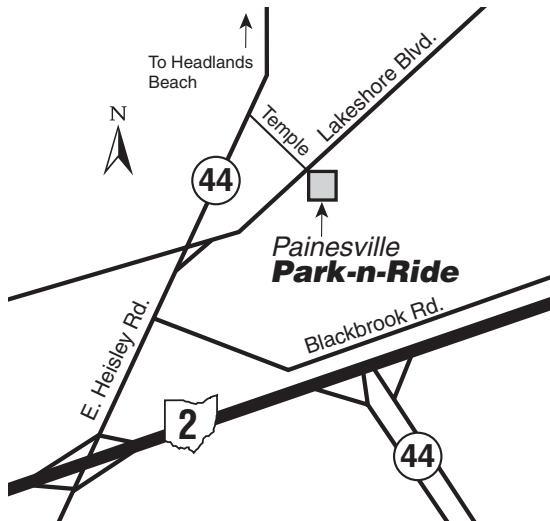

Or catch RTA #39 before 7 p.m. Schedules are at www.gcrta.org. You will need to call us at 440-942-1300 and tell us what time that bus will arrive at Shoregate in Willowick.

Laketran will meet you at Shoregate and take you to your car at any of our Park-n-Ride lots. When using this option, you will have to pay the RTA fare and ask for a transfer to use when boarding the Laketran vehicle.

The Guaranteed Ride Home program is only intended for occasional use. Laketran reserves the right to deny service in cases of habitual use or abuse of this program.
